

Angel Parkway Pet Hospital

Bath/Grooming Release Form – Canine

Pet: _____ Owner: _____

Date: _____ Weight: _____ Phone Number: _____

I give permission for Angel Parkway Pet Hospital to bathe and groom my pet. I realize that grooming requires the use of scissors and other cutting instruments and that such use may result in injury if the pet being groomed moves suddenly. I understand that grooming can expose a hidden medical problem, or aggravate an existing one. This can occur during or after the grooming process. In this case a Veterinarian will be notified of your pet's condition and an assessment will be given. Exams, medications or treatments may be needed. All veterinarian costs and expenses will be the responsibility of the pet's owner and due upon receipt of service.

Please contact me prior to initiating treatment and incurring additional charges YES NO

Animals with matted coats need special attention. Mats can be difficult to remove and, in some cases where the coat is severely matted, APPH recommends that portions or all of the coat be shaved down. The condition of a pet's skin under a matted coat can become very irritated and sensitive. A coat that has not been properly groomed is a dangerous risk to the health of your pet and there is a higher risk that the pet can be nicked or cut while grooming.

I understand that if my pet is matted, it may require shaving. Please initial:_____

All pets must be current on **required** vaccinations including: Rabies, Distemper/Parvovirus and Bordetella (Kennel Cough). **The Leptospirosis vaccination is strongly recommended.** If any vaccines are needed they **must be given prior** to entering the kennel area.

A wellness exam will be charged for any pet requiring Rabies or Distemper/Parvovirus vaccines.
